

FISHER 19

The Fisher 19

With its asymmetric wheelhouse the total volume in the boat is optimized and makes it easy to move around. Inside the cabin the comfort is present even as on the Cockpit.

The excellent navigation, high performance, easy driving, uncompromised seakeeping skills meet the expectations of most demanding anglers.

The Fisher range combines effortlessly style and performance without any compromise on the practical details and safety features.

The boat offers and excellent stability even when several passengers fish from different sides.
